First Planning Meeting

Child Sexual Abuse in your community: Concerns and Strengths

Problems/concern List the major “types” of child sexual abuse in your community

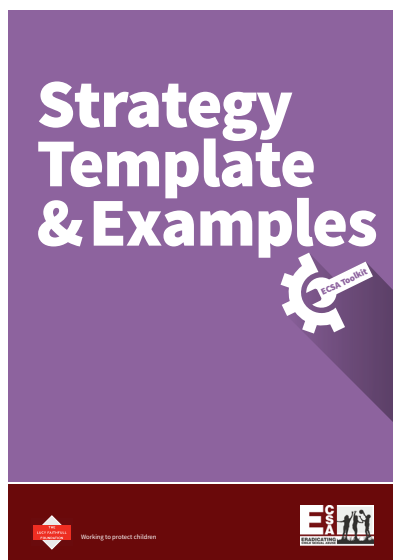

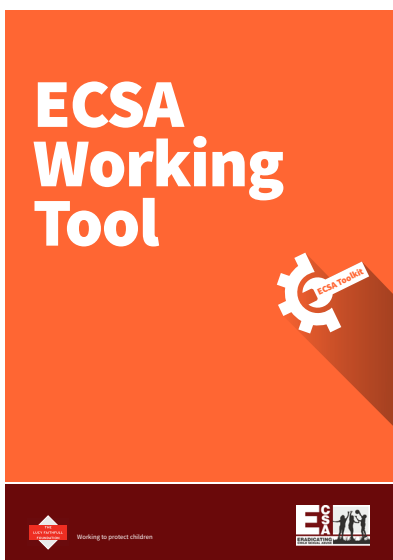

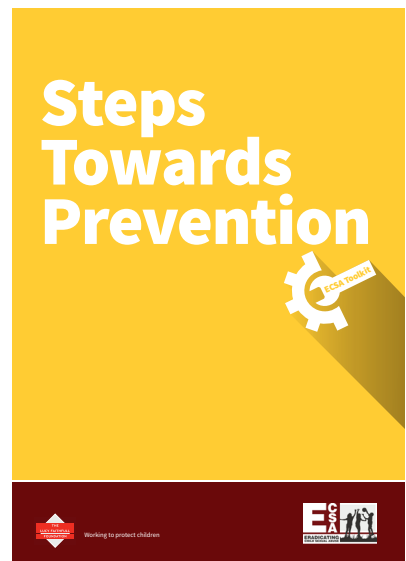

Strengths/resources List all the existing things that protect children from sexual abuse

Goals What would you like to see happening, to protect children? List all of everyone’s goals

Scales On a scale where 1 = children are unsafe, 10 = children are well protected, record each person’s rating.

Person	Rating 1-10	What would have to happen for you to rate the safety 1 point higher?
