

Safe Bedrooms

Summary

Safe Bedrooms is a suite of resources which equips parents and carers with the tools to keep children safe online.

Type of intervention

Public education

Target groups

Children and parents

Delivery organisation

Daniel Morcombe Foundation

Mode and context of delivery

Public information website

Level/nature of staff expertise required

None

Intensity/extent of engagement with target group(s)

Public information website

Description of intervention

Safe Bedrooms provides information for parents and carers on how to recognise, react and report online grooming. Through the series of videos and resources, parents and carers can learn about the warning signs of online grooming, how to protect their children and what to do if they are concerned about a child. By becoming informed, parents and carers can keep their children safe online.
